A stir-fry sauce can do no wrong, in fact it's perfection when cooked with veggie mince, creating lovely sticky flavours. There's veggies and a fragrant garlic rice to absorb all the leftover sauce. It's too good to miss!

1

Cook the garlic rice

- Finely chop **garlic**.
- In a medium saucepan, heat the **plant-based butter** with a dash of **olive oil** over medium heat. Cook half the **garlic** until fragrant, **1-2 minutes**.
- Add the **water** and a generous pinch of **salt** to the pan and bring to the boil.
- Add **jasmine rice**, stir, cover with a lid and reduce heat to low. Cook for **12 minutes**, then remove from heat and keep covered until rice is tender and water is absorbed, **10-15 minutes**.

TIP: The rice will finish cooking in its own steam so don't peek!

4

Cook the veggie mince

- Return the frying pan to medium-high heat with a drizzle of **olive oil**.
- Cook **plant-based mince**, breaking up with a spoon, until just browned, **5-6 minutes**.

Custom Recipe: If you've swapped from plant-based mince to beef mince, cook beef, breaking up with a spoon, until just browned, 4-5 minutes. Continue with step.

2

Get prepped

- Meanwhile, roughly chop **Asian greens**. Thinly slice **carrot** into half-moons. Thinly slice **onion**.

5

Add the sauce

- Add **sweet soy seasoning** (see ingredients) and remaining **garlic** and cook, stirring until fragrant, **1 minute**.
- Reduce heat to low, then add **cooked veggies**, **Asian stir-fry sauce**, the **vinegar** and a splash of **water**. Cook, stirring, until slightly reduced and sticky, **1-2 minutes**.

3

Cook the veggies

- In a large frying pan, heat a drizzle of **olive oil** over medium-high heat. Cook **carrot** and **onion** until tender, **4-5 minutes**.
- Add **Asian greens** and cook until just wilted, **1-2 minutes**. Transfer to a bowl and cover to keep warm.

6

Serve up

- Divide garlic rice between bowls.
- Top with sticky veggie mince stir-fry. Garnish with **crushed peanuts** to serve. Enjoy!
