Pickle the onion

Preheat the oven to **200°C/180°C fan-forced**. Cut the **red onion** in half. Thinly slice 1/2 the **onion** and finely chop the remaining **onion** (this will be used in step 5!). In a small bowl, combine the **white wine vinegar** and a good pinch of **sugar** and **salt**. Scrunch the sliced **onion** in your hands, then add to the **pickling liquid** with just enough **water** to cover the **onion**. Stir to coat and set aside.

Bake the tortillas

Place the **tortilla** wedges on a lined oven tray. Drizzle (or spray) with **olive oil**, season and toss to coat. Spread out evenly, then bake until golden, **8-10 minutes**.

TIP: If your oven tray is crowded, divide between two trays.

TIP: Keep an eye on them. You want them crisp, but not burnt!

Get prepped

Finely chop the **radish**, **cucumber** and **coriander**. In a medium bowl, combine the **radish**, **cucumber** and **coriander**. Set aside. Pick and thinly slice the **mint** leaves. Finely chop the **garlic**. Cut the **mini flour tortillas** into wedges. Drain and rinse the **lentils**. Grate the **carrot**.

Cook the lentils

While the tortillas are baking, heat a large frying pan over a medium-high heat with a drizzle of **olive oil**. When the oil is hot, cook the **carrot** and remaining **onion** until softened, **3-4 minutes**. Add the **lentils** and cook until heated through, **2 minutes**. Add the **garlic** and **Mumbai spice blend** and cook, stirring, until fragrant, **1-2 minutes**. Stir through the **tomato paste** and **coconut milk**, then season generously. Simmer until the sauce has thickened, **2-3 minutes**.

TIP: Add a splash of water if the mixture seems dry.

Make the mint yoghurt

In a second small bowl, combine the **mint**, **Greek-style yoghurt** and a small drizzle of **olive oil**. Season with **salt** and **pepper**. Set aside.

Serve up

Drain the pickled onion. Divide the tortilla chips between bowls. Top with the coconut lentil mixture, cucumber salsa and pickled onion. Serve with the mint yoghurt.

TIP: Serve the tortilla chips on the side if you prefer!

Enjoy!
